InfoCision to Expand Operations in Austintown; Add 300 Jobs

Austintown, Ohio, February 5, 2008- On Tuesday, February 5, InfoCision Management Corporation broadened its investment in the Mahoning Valley by breaking ground on a building expansion project that will allow the company to increase its operations in Austintown.

InfoCision currently employs more than 500 people in the four call centers at its Austintown facility at 5740 Interstate Blvd., where the company has operated for the last eleven years. The expansion will more than double the size of the facility, which will total almost 50,000 square feet upon completion. InfoCision will add more than 150 workstations, allowing for the hiring of 300 new employees including supervisory staff. In addition, training spaces will be expanded and a new employee break room will be added.

InfoCision recognizes that employees are the key to its continued success, and makes every effort to help employees lead a happier and healthier life. As part of a company-wide health and wellness initiative, InfoCision will add **InfoWellness**, which includes an on-site physician who will be available to treat employees and their family members; and **InfoFitness**, an on-site fitness center employees can use before or after their shift or on their lunch break.

“We want to thank everyone who has worked so hard to make this groundbreaking a reality,” said InfoCision Senior Vice President of Corporate Affairs, [Steve Brubaker](#). “We have enjoyed great success in Austintown and we expect that success to continue for many years.”
