InfoCision once again named Top 10 Best Employer in Ohio

Akron, Ohio, March 19, 2008 – For the third consecutive year InfoCision Management Corporation was named one of the top 10 Best Employers in Ohio in the large-sized company category. The actual top 10 rankings will be announced at a ceremony held on April 15th in Columbus and published in *Ohio Matters*.

“Our goal is to create an environment in which people can enjoy their careers, and the Best Employer’s Award validates what all of us are trying to accomplish,” commented [Carl Albright](#), president and CEO, InfoCision Management Corporation.

This third annual program was created by the Ohio Chamber of Commerce in partnership with the Manufacturers’ Education Council, the Society for Human Resource Management (SHRM) – Ohio State Council, *Ohio Matters*, and Best Companies Group.

This survey and awards program was designed to identify, recognize and honor the Best Employers in Ohio, benefiting the state's economy, its workforce and businesses. The list is made up of 20 companies split into two categories: 10 small/medium-sized companies (25-249 employees) and 10 large-sized companies (250 and more employees).

Companies from across the state completed a two-part process. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure their experience. The combined scores determined the top companies and the final ranking.
