InfoCision Cuts Ribbon to Celebrate Completion of New Facility

Expansion allows InfoCision to add 120 new jobs and employee amenities in Boardman

Boardman, Ohio, February 25, 2008 – On Monday, February 25, InfoCision Management Corporation joined with state and local leaders to ceremoniously announce the completion of its new building in Boardman. This expansion allows for the creation of 120 new jobs, in addition to the 250 workers already employed by InfoCision in Boardman.

The new building, located at 8530 Crossroads Dr., will allow InfoCision to expand its operations in Boardman by creating space for a three 60-seat call centers. The 25,000-square foot facility was built by C-Z Construction and Development Co. of Boardman, and is more than twice the size of InfoCision's previous facility on Southern Blvd., that housed two call centers.

In addition to expanding operations, InfoCision's new building will provide expanded training rooms and break areas. The company recognizes that employees are the key to its continued success, and makes every effort to help employees lead a happier and healthier life. As part of a cutting-edge company-wide health and wellness initiative, InfoCision added:

- **InfoWellness** – InfoCision has hired an on-site physician who will be available to treat employees and family members for such procedures as physicals, check-ups, shots, and even urgent care after hours. Additional health and wellness programs, including an annual health fair, are offered throughout the year.
- **InfoFitness** – An on-site fitness center, equipped with high quality equipment, locker rooms and showers will be available to employees for a minimal fee per month.

"We want to thank the [Regional Chamber](#) and everyone who helped to make this expansion a reality," said InfoCision Senior Vice President of Corporate Affairs, [Steve Brubaker](#). "We have enjoyed great success in Boardman over the last six years, and we are committed to being a partner with this community. This project will allow that partnership to grow, and continue for many years to come."

In an effort to fill the positions created by this expansion, InfoCision will hold an employment open-house at its new Boardman location on Thursday, February 28 from 9 a.m. to 3 p.m. The open-house will showcase InfoCision's facilities, great work environment and let people know what [careers are available with InfoCision](#). Interviews will be available that day for those interested.
