InfoCision to Expand Operations in Boardman; Add 120 Jobs

Boardman, OH, June 29, 2007- On Thursday, June 28, InfoCision Management Corporation showed its commitment to the economic success of Ohio by breaking ground on a new facility that will allow the company to expand operations in Boardman. InfoCision is also celebrating the five-year anniversary of its current Boardman location.

The new facility, located at 8530 Crossroads Dr., will have room for three 60-seat call centers, which will mean 120 new jobs in Boardman. InfoCision currently employs more than 250 at two call centers in Boardman located at 6951 Southern Blvd., where the company has operated for the last five years. The new 25,000-square foot facility, which InfoCision hopes to move into by the end of the year, is being built by C-Z Construction and Development Co. of Boardman.

InfoCision recognizes that employees are the key to its continued success, and makes every effort to help employees lead a happier and healthier life. As part of a company-wide health and wellness initiative, InfoCision will add **InfoWellness**, which includes an on-site physician who will be available to treat employees and their family members; and **InfoFitness**, an on-site fitness center employees can use before or after their shift or on their lunch break.

"We want to thank everyone who has worked so hard to make this groundbreaking a reality," said InfoCision Senior Vice President of Corporate Affairs, Steve Brubaker. "We have enjoyed great success in Boardman and we expect that success to continue for many years."
