InfoCision Named One of the Fastest Growing Companies in the U.S.

Akron, OH, Sept. 10, 2007- InfoCision Management Corporation, headquartered in Akron, Ohio, was named one of the fastest growing private companies in the United States, in Inc. Magazine's first-ever Inc. 5,000 list.

InfoCision was ranked 4,844, with growth of 29.5 percent between 2003 and 2006. InfoCision was also ranked 13th in the advertising and marketing category. The Inc. 5,000 is an extension of Inc. Magazine's annual Inc. 500 list and was created to capture smaller companies and those too large to grow at the pace needed to be considered for the Inc. 500 list.

"For a privately-held organization, appearing on the Inc. 5,000 list is comparable to a public company on the Fortune 500," said Steve Brubaker, InfoCision senior vice president – corporate affairs.

The 2007 Inc. 5,000 ranked companies that were founded and generating revenue by the first week of 2003, and therefore able to show four full calendar years of sales. Additionally, companies had to be U.S.-based, privately held and independent – not subsidiaries or divisions of other companies as of December 31, 2006 and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006. The full Inc. 5,000 list can be found on www.inc.com.
