InfoCision promotes Michael White to chief technical officer

Akron, Ohio, December 3, 2008 – [InfoCision Management Corporation](#) is pleased to announce the promotion of [Michael White](#) of Bath from senior vice president of information technology infrastructure to chief technical officer.

As chief technical officer, White will continue to lead InfoCision's enterprise systems team, the infrastructure group and the software development team. In addition, he will manage the company's IT hardware budget in an effort to find efficient ways to lower technology hardware costs while keeping InfoCision at the cutting edge of [call center technologies](#).

White began working with InfoCision in 1989 as a print room operator in the InfoCision's fulfillment department, and quickly rose through the company's ranks. As InfoCision's highest ranking technical employee for the last 15 years, White led the way in transforming the company's IT department from a simple operation to an innovative technical enterprise. He was instrumental in developing the company's ability to seamlessly [blend inbound and outbound calling](#), along with countless other enhancements that have helped to propel InfoCision to become one of the largest teleservices providers in the world.

About InfoCision
